Coach's Comments: Josh Breto has untapped potential. Because of his size, athleticism and willingness to do whatever it takes, he'll get the job done. At the next level, he needs to play quicker, play simple, & needs to work on getting his shot off sooner. He has a nose for the goal, but needs to get involved more often, by moving to open up to get the ball. At times, he needs to be a bit more direct when going to goal. If Josh is playing w/confidence, he is very dangerous and is very hard to contain.

I highly recommend Josh Breto and encourage you to give him a look.
