To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Joshua Breto. As an Athletic Academic Counselor at The Ohio State University, I have worked with Joshua for the past year. I have had the opportunity to work one-on-one with Joshua concerning his academics, athletics, and his career preparations. As his counselor, I have witnessed Joshua's time management and organizational skills in addition to his leadership skills, all of which are vital components to be a successful student.

Joshua possesses skills that every academic counselor wants to foster in their students. He has an outgoing and positive nature, which immediately impacts those around him. I am very impressed with his work ethic, dedication and loyalty that he gives not only to his teammates on and off of the field, but also to his academic work and community involvement. He is driven to do well and succeed in all aspects of his life.

He has been able to juggle many tasks at once, while majoring in City and Regional Planning at the Knowlton School of Architecture at The Ohio State University. I believe Josh has a very bright future and I am sure that he would benefit from receiving the Hispanic Scholarship. I give my highest recommendation and do not believe that you will find a more qualified and academically driven person for this scholarship.

Thank you,

Sincerely,
