THE PEOPLE. THE TRADITION. THE EXCELLENCE.

To Whom It May Concern

It is with pleasure and conviction that I write this letter of recommendation for Josh Breto and his efforts to earn placement in The Nike Internship Program.

I have known Josh for the past five years as a very successful member of our Men's Soccer program. During this time period I have seen Josh in a variety of educational, competitive, and community outreach situations and he has handled all circumstances with ease and comfort. He is compassionate, honest, loyal, hard working and disciplined. Josh prepares well, has demonstrated very good organizational ability, has great determination and relates very well with all those he works with.

Josh is an exceptional young man, a student and an athlete, who balances all the challenges in his life in an efficient manner. I have no doubt whatsoever that he will be very successful in any endeavor he chooses.

Please feel free to contact me if I can lend any further support for Josh.

Respectfully
